Note: This list only includes the 109 officially named elements . Also, there is some disagreement about the discovery year of some elements. Please see the element itself for additional discovery information, especially if you question our dates.If you need to cite this page, you can copy this text:Kenneth Barbalace. Periodic Table of Elements - Sorted by Year of Discovery. EnvironmentalChemistry.com. 1995 - 2025. Accessed on-line: 5/27/2025 you would like to link to this page from your website, blog, etc., copy and paste this link code (in red) and modify it to suit your needs:
