Single and twin chamber hotboxesThermostatically controlled gas heatingInnovative V-design hopper with ultra-narrow air gap, ensuring optimum asphalt temperature for 24/7 repairs Complete patch repair hotboxSelf-loading debris tipper Three-way and rear-tip options available6m3, to suit 18t chassis End-tipping facility5m3 to 4m3, to suit chassis from 7.5t to 14t Our Quick Change Bodies (QCBs) allow for a comprehensive choice of bodies to be mounted on a single chassis through a swap body system. Body options include gritters, tippers, hotboxes, tankers, platforms and box bodies. More specialist application bodies can also be bespoke manufactured to meet more precise needs. We have an extensive range of used winter and highways maintenance vehicles for sale, including gritters, salt spreaders, tippers etc. All of our used vehicles are from our well-maintained hire fleet, fully serviced and ready for a new lease of life on the roads. Whatever your budget and requirement, we have vehicles available to suit. From our beginnings as an innovative manufacturer of agricultural machinery, to the pioneering engineering firm we are today, we have always been industry leaders in technical innovation.For the past 50 years, we have continually adapted to changing market conditions, developing our service and product range with our customers needs in mind.Our Heritage Regrettably we are not able to assist you with sourcing finance due to not being a limited company. At Econ we like to keep things simple. So, every part, nut and flange is crafted in our factory from bare metal. Our vehicles are built to last and are designed to meet the needs of today's road networks. Keeping your vehicle on the road is important, and our bespoke Econ parts enable you to maintain your vehicle easily and quickly. >>_>_
