Identified font Futura Heavy Oblique Suggested by NOTJORDANWALKER Suggested fonts Century Gothic Bold Italic Suggested by 527657 Caviar Dreams Suggested by voyager golden record Khmer UI Suggested by PyroLlama Your Choise... (Already suggested here) No no no my friend, no links to illegal downloads. Don't kill me please...which are legal links to.... Keep calm, nobody's gonna kill you Well, you know that Futura is a commercial font, so if you find it for free somewhere, it is illegal. Usually, people use MyFonts or fonts.com to provide an appropriate commercial link if the font is available there. But there are no rules. The only rule is no illegal download links, which get remove anyway in case someone posts one ...oh yes! Guys, I found an exact alternative and made na account just to show you... You can use Century Gothic Bold Italic and font size 80 to get the exact copy of the supreme logo Suggested font: Century Gothic Bold Italic Futura is definitely better than Century Gothic, but still not a perfect match (either modified or other font/publisher) If you want a free text for the supreme, I recommend the Khmer UI, it looks a lot like it when it's bold and italicized, it should be on your computer already, to be honest Caviar Dreams Bold Italic looks similar to it Suggested font: Caviar Dreams Edited on Jul 15, 2018 at 16:47 by voyager golden record to be honest, no All times are CET.
